

## Lane library card

To whom it may concern, we have been asked by many clients to attend the lane library on Thursday with the educational group once a month. We would like to know if your person can apply for a lane library card or already has a lane library card. Please check mark one of the options below and return it to your Thursday educational group instructor as soon as possible.

- My person has my permission to rent books from the lane library with their own personal lane library card
- My person does not have a lane library card and has my permission to apply for one to rent books
- My person does not have a lane library card and does **NOT** have permission to acquire one.
